**Are You Ready to Receive the Seeds that Help You Become the New Human?  
Are You Ready to Become an Earthkeeper?  
Then this is the Course for You.**

I'm delighted to offer a fantastic six-day retreat for people serious about fast-tracking their spiritual growth. In this course we will be focussing on the Munay Ki rites and the shaman path of the Inka, blended in with a special bent on communicating with the natural world and animals to help you step onto the path of the Earthkeeper in a holistic way. This is a course steeped in ceremony for the healing of yourself, the ancestors, and Mother Earth. In this class, you will:

- Receive all the Munay Ki rites of initiation
- Learn what they are and how to use them in every day life
- Learn the importance of ceremony and dancing in the sacred
- Perform fire ceremony in the Inkan tradition.
- Learn the importance of *ayni* or right relations.
- Be introduced to the wisdom of the animal, plant and faerie kingdoms and how to access that wisdom.
- Learn how be the best Earthkeeper you can be, for your family, your animals, and Mother Earth.

*After receiving the Rites I feel lighter in my physical and etheric bodies. The dross from the past that collected in my auric field has gone. Healing has taken place on a number of levels. Joy bubbles within me - and my spirit is buoyant!*

### **Ancient Initiations for Modern Lightworkers and Earthkeepers**

*"The Munay-Ki are the nine rites of initiation to become a person of wisdom and power who has accepted the stewardship for all creation. The nine rites are common to all shamanic traditions, even though they are expressed in different forms and styles in different cultures." – Dr Alberto Villoldo*

Munay means "I love you" or "Be As Thou Art" and Ki means "power". These great rites of initiation from the medicine way were previously only for high wisdom keepers, given over many years.
