

What Are The Rites of the Munay-Ki?

“The Munay-Ki are the nine rites of initiation to become a person of wisdom and power who has accepted the stewardship for all creation. The nine rites are common to all shamanic traditions, even though they are expressed in different forms and styles in different cultures.” – Alberto Villoldo, Ph.D..

The Munay-Ki Rites are energetic transmissions from the Inka Q’ero nation. They were released to help people fast-track their spiritual growth and personal healing, in an attempt to create people who Walk in Beauty and understand how to steward the Earth.

By helping people heal themselves, we also help create the time to come. When people are released from their old stories, fears and limitations, they Walk in Beauty with love in their hearts and service in their souls.

"To work with Billie Dean is indeed a privilege. To be taught by her, an absolute pleasure not to be missed. Her compassion for animals and the New World is outstanding. She has visions far beyond the norm and you know that they will happen." – Marilyn Clymo

"I've done Billie Dean's Munay-Ki class twice now. The experience and the teachings changed my life and the way I see the world. Sitting in the energy as we go through the teachings of the ancient Q'ero shaman, combined with the new way is something that no words can give justice to. Every one's experience is unique, but guaranteed to send you on your way with a new Wow!" - Lisa R, Victoria.

"The energetic transmissions of the Munay-ki are a life changing experience. They fill every cell in your body with love. Your heart chakra expands so brilliantly that you simply radiate love and lightness. For me, it was my first real magical experience. The beauty I experienced during my initiations of the Munay-ki was soul quenching." – Lisa McFadyen

I'm delighted to offer you Engaging with the Sacred, an inspirational, transformative, and fun six-day retreat for people serious about fast-tracking their spiritual growth.

In the course, we focus on the nine Andean transmissions of love and light – the Munay-Ki rites from the shaman path of the Inka. I blend this with my own New Shamanism, which takes ancient shamanic methods and brings them into a modern context, adding a particularly animal-honouring perspective.

This course helps you:

- Shortcut your spiritual growth
- Align to your soul work
- Step into your destiny
- Shine your light
- Rejuvenate and heal.

In this class, you:

- Receive all nine Andean transmissions of love and light (the Munay Ki rites of initiation)
- Learn what they are and how to use them in every day life
- Learn the importance of ceremony and dancing in the sacred
- Perform fire ceremony in the Inkan tradition
- Learn the importance of ayni or right relations.
- Are introduced to the wisdom of the animal, plant and faerie kingdoms and how to access that wisdom.

Learn how to be the best Earthkeeper you can be, for yourself, your family, your animals, and Mother Earth.

"Receiving the rites of the Munay-Ki was a great honour which I am grateful for every day.
